PROFILE

I am an Undergraduate Informatics Student at Pembangunan Jaya University. I am very interested and enthusiastic about the field of artificial intelligence (AI), especially deep learning, machine learning, and neural networks. These topics are very interesting to me because of their ability to make machines more intelligent in recognizing patterns and making predictions.

EXPERIENCE

INTERN

06/2022 - 08/2022 PT DIANITA ARTHA BUANA

- Input Client's Data

EDUCATION

2023 - Sekarang **UNIVERSITAS PEMBANGUNAN JAYA** 
Informatics

2020 - 2023 **SMK BUDI MULIA** 
Computer & Network Engineering

CERTIFICATE

2024 **AI ENGINEERING PROFESSIONAL CERTIFICATE**
IBM 

2024 **DEEP LEARNING IN PYTHON**
Datacamp 

2023 **HUGGINGFACE DEEP REINFORCEMENT LEARNING COURSE**
Huggingface.co 

SKILLS

- Microsoft Office 
- Basic Python 
- Basic Tensorflow 
- Basic Pytorch 
- Basic Web Development
